

Financial report of the Citizenship and Social Development Grant (2021-2022)

Item	Amount allocated	Amount spent	Remarks
1. Developing or procuring relevant learning and teaching resources	\$ 2,000	\$ 0	The department planned to purchase some suitable learning materials for students and teachers. But there were not many suitable books and reading materials to purchase for the subject. More will be purchased next year.
2. Subsidising students and/or teachers to participate in Mainland interflow activities or study tours relating to the CS curriculum	-	-	-
3. Organising school-based learning activities relating to the CS curriculum	\$10,000	\$ 0	Originally the school had organised trips for the S4 last year, to go to Lung Yeuk Tau Heritage Trail, the Hong Kong Heritage Discovery Centre and the City Gallery to let students experience the Chinese and HK culture and development. However, as the pandemic was still raging in April and May last year, many of these government facilities were closed. Therefore the trips were canceled.
4. Organising and subsidising students to participate in joint-school/ cross-curriculum activities relating to the CS curriculum held in Hong Kong or in the Mainland	\$ 30,000	\$ 0	The pandemic was still raging. The school was unable to organise joint-school activities and trip to the Mainland.
5. Others (please specify):	-		
Total:	\$42,000	\$ 0	

Due to the pandemic, the school was still quite reserved in organising activities for students in and outside school, that is why the CS Grant was underspent. But as the Hong Kong society is back to normal in 2022-23, the China trip as well as activities in and outside school will be organised, and the CS grant will be better utilised in different ways.
