

## Sacred Heart 165<sup>th</sup> Anniversary Logo

Supported with a pair of gentle hands in a heart shape, a soft flowing ribbon forms a heart of its own and grows into a child offering the heart and the cross to the world. This symbolizes the love and compassion of the Canossian Sisters, teachers and students over the past 165 years, providing an all-round education of Christian values and formation of the heart to empower youngsters to be women of integrity and versatility with global awareness; to be ready to share, serve and sacrifice for others.

The heart-shaped hands are printed with a Chinese knot. This is a representation of the unity of the Canossian Sisters in their devotion and commitment to serving the poor, establishing the Italian Convent School, which became Sacred Heart School and later Sacred Heart Canossian College, to provide education to children from all walks of life. May the Sacred Heart family continue to grow in this unity and pass on the love of Our Foundress for the Sacred Heart of Jesus and the needy to generations to come.
